Carnage

A mad gunman kills more than 30 people at Virginia Tech University. The question of the free circulation of guns in America is raised again. But the National Rifle Association—one of the Republican Party's major sponsors—still firmly blocks any attempt to change the law.

HOW TO SPOT FUTURE MAD GUNMEN?

One day I'll become President, I'll blow away the Middle East and tell everyone Jesus is on my side...

Cho Seung-Hui

The 23-year-old Virginia Tech murderer was known for previous psychiatric incidents. Some of his teachers had pointed out his 'unstable' mind. In a pre-recorded statement the killer referred to Jesus' sacrifice.
