

The 'Axis of Evil'

President George W. Bush continues his 'War on Terror', naming Iraq, Iran and North Korea as the three countries representing the Axis of Evil.

Afghanistan

President Ahmed Karzai's Vice-President is assassinated, killed by ethnic infighting.

Daniel Pearl

The *Wall Street Journal* correspondent captured in Pakistan by fundamentalists is found beheaded.

The problem is, Mister President, if we bomb Iraq, it might set the rest of the world on fire...

And where is the rest of the world?

You see Texas, Mister President? Well, it's not there.

Cool! We're safe, then?
